

MEN OF GREED

by Tim Oliver Lindberg

1st Verse

This time I will take it all
Scare you off and get in control
No one bothers me at all
Soon's all mine

2nd Verse

Don't you think I'll split a bite
Boundless is my appetite
I'll just drop by to exploit
Down-the-line

Bridge

Don't u, don't u cry
It's a new age, new time
The greedy will survive
For all time

Chorus

The men of greed
Don't swim in my ocean
All what we need
Is left unspoken

3rd Verse

I trick at the stock exchange
Social market – sold, betrayed
If I lose I'll let y'all pay
All my loss

4th Verse

This has been for forever you know
Men enslave men for material goals
All that counts are wealth and might
Down-the-line

Bridge

Don't u, don't u cry
It's a new age, new time
The greedy will survive
For all time

Chorus

The men of greed
Don't swim in my ocean
All what we need
Is left unspoken
The men of the greed
Don't swim in my ocean
All what we need
Is left unspoken

Part-B

...until we all kill ourselves...!

Chorus

The men of greed
Don't swim in my ocean
All what we need
Is left unspoken
