1. ABOUT

BORN A REBEL is a nu metal band based in Berlin, Germany. The five musicians combine political rap with hardrock, metal and djent.

Founded in late 2017 they started to create their own explosive and unique sound. Strong driving drumbeats mixed with fat basslines and punchy bright metal guitars create an ear popping blend of heavy hitting Nu Metal music that will get you hooked and keep you coming back for more.

Through their politically charged lyrics the band openly moves against mass surveillance, state terror, greed driven warfare, capitalism, racism, social disparity and actively stands up for social equality, free speech, whistleblowers, civil rights and world peace.

The BORN A REBEL family is a symbol of the unity of nations and their people. The band roots itself in multiculturalism with its members coming from all parts of the globe including Austria, Russia, Latvia and Germany.

BORN A REBEL has been interviewed in the past by STAR FM Berlin,

Alex Berlin, different internet radio formats and mentioned in a vast array of music blogs. Their Facebook account is clocking in at around 4.500 followers.

The band has played live at several live locations in Berlin, taken part in gigs in Leipzig and Siegen and in contests such as Deutscher Rock & Pop Preis, SPH, Berlin Bands United and Emergenza. Their last big concerts were at the ROCKTREFF festival in Berlin July 2022 and Rebellisches Musikfestival in May 2023.

The musicians released their debut selftitled EP and subsequent singles 'FREEDOM', 'BE YOUR OWN TEACHER', 'NEW DAWN' and 'MY ENEMY'. They are available on Spotify & Co.:
