PRESS KIT

1. ABOUT

BORN A REBEL is a nu and progressive metal band based in Berlin, Germany. The musicians combine political rap with metal.

Strong driving drumbeats mixed with fat basslines and punchy bright metal guitars create an ear popping blend of heavy hitting nu metal music that will get you hooked and keep you coming back for more.

Through their politically charged lyrics the band openly moves against mass surveillance, state terror, greed driven warfare, capitalism, racism, social disparity and actively stands up for social equality, free speech, whistleblowers, civil rights and world peace.

BORN A REBEL is a symbol of the unity of nations and their people. The band roots itself in multiculturalism with its members coming from different parts of the globe.

BORN A REBEL has been interviewed in the past by STAR FM Berlin, Alex Berlin, different internet radio formats and mentioned in a vast array

of music blogs. Their Facebook account is clocking in at around 4.200 followers. The single MY ENEMY reached more than 100.000 streams until this day.

The band has played live at several live locations in Berlin and festivals such as the ROCKTREFF or Rebellisches Musikfestival.

Since 2023 the band's music is promoted by the label 7hard, a division of the 7us Media Group. 'MY ENEMY' and 'I AM THE FLAME' are the first label releases.
