## PRESS KIT

### 1. ABOUT

BORN A REBEL is a metal band based in Berlin, Germany. Their music is a powerful fusion of left-wing political rap and progressive metal – a unique style that captures audiences and clearly stands out from the crowd.

Strong driving drumbeats mixed with fat basslines and punchy bright metal guitars create an ear popping blend of heavy hitting nu metal music that will get you hooked and keep you coming back for more.

Through their politically charged lyrics the band openly moves against mass surveillance, state terror, greed driven warfare, racism, social disparity and actively stands up for social equality, free speech, whistleblowers, civil rights and world peace.

BORN A REBEL is a symbol of the unity of nations and their people. The band roots itself in multiculturalism with its members coming from different parts of the globe.

Their single DETOX is a big success – number 3 in the Amazon charts, number 13 new releases in hard rock and metal, number 23 bestseller in hard rock and metal in November.

Radio stations like Star FM have included the song in their program. MusiX, Germany's highest-circulation music magazine wrote:

“A real crossover grenade, BORN A REBEL are throwing an alternative grenade in the style of Linkin Park or Papa Roach at us with DETOX! The song pushes and grooves as if crossover and nu metal had never left.”

The other singles are also becoming hits. The single "MY ENEMY" has already reached over 100,000 streams on Spotify.

The band is promoted by the label 7hard, a division of the 7us Media Group, which describes BORN A REBEL as an “important band” in this genre. During 2025 the band has been working on their next studio album “VENGEANCE”, which is scheduled to be released in 2026.

The band regularly performs in small and large clubs throughout Germany and also at festivals. A concert at the well known club Esso 36 in Berlin is planned for 2026 alongside international acts from the nu metal scene.
